Day 2 - Sirmione and Lugana

45 km – some up and downs

The itinerary explores the area of the famous Lugana wine: secondary roads, suggestive dirt roads, beautiful villages, some unknown, others justly famous, such as Sirmione. Take time to explore the village on the water: it is called the pearl of Lake Garda!

The road now heads inland, between vineyards and open fields, up to the tower of San Martino della Battaglia, symbol of the Italian Risorgimento, and then finally returns to the Hotel in Peschiera del Garda.

Overnight stay at the Hotel in Peschiera del Garda.

Day 3 - Garda, Bardolino, Lazise

Approximately 50 km - some up and downs

In search of the best spots to enjoy the view of the lake, the itinerary crosses some characteristic villages of the hinterland such as Colà, famous for its thermal baths, and then heads towards the lake shore. Bardolino, Garda, Cisano extend the small piers on the lake waters. Now the route follows the coast line, crosses the town of Lazise to finally return to Peschiera del Garda following internal roads.

Overnight stay at the Hotel in Peschiera del Garda.

Day 4 - Custoza and Borghetto sul Mincio

Approximately 45 km - some up and downs

The Custoza area is a fascinating and authentic region. The track heads inland on roads lined with elegant cypress trees surrounded by vineyards. Passing through small gentle hills, the road climbs and descends to the panoramic hill of Custoza, dominated by a very high obelisk, built to commemorate the soldiers who died here during the Italian wars of independence. Now come to Borghetto sul Mincio, a real fairytale village that features splendid water mills, a castle and an imposing fortified bridge. The local dish not to be missed is the tortellini. One of the attractions of the place is the Sigurtà Park, a large flowery oasis.

Finally, following the Mincio cycle path, the track takes us back to Peschiera del Garda.
