

E-bike tours: ²⁰²⁴ incentive activities for companies and groups

itinera
bike

Italian inbound tour operator

A united team that collaborates, communicates and connects is an essential value for a company. Spending time out of the office gives back an energizing power and healthy memories of some good and simple fun together.

Verona, Valpolicella and Lake Garda are great destinations for together meetings and Holidays, with many good Hotels, a lot of history, panoramas to enjoy and good roads to bike (or trails to hike).

Bike professionals - Well checked bikes and e-bikes, experienced tour leaders.

Safe routes - Cycling feels good when is safe: we choose bike paths or back roads.

Tastings and visits - Quality products and great locations: the best excuses to take a break.

At ease - Clear programs. Quick answers. Met expectations!

Incentive outdoor activities, fully customizable

01

Verona Panorama by e-bike

About the experience: Let's leave the hustle and bustle of the city behind and explore the hills just above Verona, effortlessly thanks to the e-bikes. We'll catch the nicest viewpoints and enjoy some hours outdoor!

Lenght: 20+ km / **Duration:** 3+ hours

Included services: E-bike rental with helmet, tour leader

Possible extras: Aperitif, wine or olive oil tasting, light lunch

02

Verona bike&rafting

About the experience: The group will ride through the historical center of Verona to head to the dock where the easy rafting adventure on river Adige starts. The cruise, lead by an instructor, can last 1:30 or 2 hours depending on how much water is flowing.

Lenght: 10 km by bike + 2 hours of easy rafting activity / **Duration:** 4 hours

Included services: Bike rental with helmet, tour leader, rafting instructor, rafting experience

Possible extras: Aperitif in the city center, art and history guide for a full tour in the city center

03

Valpolicella wines by e-bike

About the experience: Departing from the Valpolicella, this tour is fully dedicated to the countryside and Verona's wine. The group will discover an area of small villages, cultivations and neat vineyards, and then stop for the visit of a winery and the tasting of Valpolicella wines.

Lenght: 20+ km by e-bike / **Duration:** 4-6 hours

Included services: E-bike rental with helmet, tour leader, winery visit and wine tasting

Possible extras: Light lunch, pic nic experience

04

Lake Garda by e-bike

About the experience: Departing from Southern Lake Garda, the guide will lead the group through the many back roads of the area, discovering a very diverse region: castles, romantic villages, vineyards, and also olives, corn and fruit cultivations, bushes, and wild areas.

Lenght: 20+5 km / **Duration:** 3-6 hours

Included services: E-bike rental with helmet, tour leader

Possible extras: Winery visit and wine tasting, pic nic, light lunch, boat tour on the Lake, visit of Sirmione

E-bike tours: incentive activities for companies and groups

Since 15 years **Itinera bike & travel** organizes leisure outdoor activities by bike, e-bike or foot, for small and big groups. We offer well planned and safe itineraries, bikes in the best condition, professional and fun tour leaders. Tastings or other activities can be added to the active experience.

Here our standard prices 2024 of **guided private group e-bike tour, for 15–40 participants** (in case of a bigger group, we'll propose to split it into smaller sub groups). The e-bike provides little effort and lots of fun for everyone. The experience is fully customizable. It can be kept in white label.

About the itinerary

We choose **safe bike paths or back roads, preferably in a natural environment**. Normally a half-day experience is about 20–35 km long. A full-day experience is about 35–50 km long. Departure can be planned from Verona (from our office or from a specific Hotel or location); from the Valpolicella area, or the territory of Southern Lake Garda. Tours can be arranged to more distant areas, the price will increase. For safety reasons, a specific location can be proposed as departure point, and others can be discarded.
